

★ A MOST PARTICULAR PALE ★

The real treat of our A.P.A. is the tangle of flavors that fresh cracked pepper and Northern Brewer Hops create. At 65 IBUs there's plenty of zing, but not so much to overpower the tingle of the black pepper as it slowly kicks in. Likewise, the 15° Plato malt bill features a healthy dose of caramel malt which softens the play of pepper and hops on the palate. 5.5% ABV.
